

Key West Community Sailing Center

PHOTO CAPTION: Above left, a sailing student at the helm of a donated Open Bic dinghy. Above, right, the Sailing Center's fleet of Bics takes off through the cut, alongside the motorboat driven by Program Director Ben Hermelin.

GIVE THE GIFT OF SAILING

It's the season of giving and the Sailing Center invites you to support our youth sailing program. Here are two wonderful options:

PROVIDE A SCHOLARSHIP - \$250 buys a week sailing class for a student who otherwise cannot participate. Twenty percent of the Center's 200+ youth sailing sessions annually are provided thanks to scholarship support.

HELP PURCHASE A BOAT! - Would you like to see your name on the side of an Open Bic dinghy (see photo above - the "Louie B")? We are buying five new Bics in order to have enough for our large summer camp and after school programs. Each Bic costs \$2,500; you may give any amount toward our campaign goal of \$12,500. Or we would be delighted to name a boat after you if you purchase one in full. The Bic is the most popular youth instruction vessel in the nation due to its size, stability and rigging.

CLICK HERE to make a donation (see DONATE button on our website) of any size; all support is needed and appreciated! If you have questions or would like to discuss the **Boat Campaign**, longtime Sailing Center member George Edson would be delighted to speak with you. Email George at jilledson@comcast.net
