Key West Community Sailing Center 2022 Round the Island Race Sailing Instructions 12/23/2021

1. General

- a. Competitors must wear personal flotation devices at all times during the race, no exceptions.

- b. Competitors are encouraged to have a handheld VHF radio or cell phone on board to communicate with the race committee/safety boat.

- c. Additional Sailing Instruction will be provided at the Skippers Meeting

2. Changes to Racing Rules of Sailing (RRS)

- a. For the purposes of passing under the cow key channel bridge, competitors are allowed to receive help from an outside source, so long as this does not result in a significant advantage. This changes RRS rule 41

- b. Competitors are allowed to use any reasonable means to propel their boat under the cow key channel bridge, so long as this does not result in a significant advantage. This changes RRS rule 42.1
